Spring is here!

Race tracks are the theme this year:

While on vacation there was a race out Prospect Valley. I have contacted the property owners & given them a copy of our race track law & informed them future events without licensing will result in an appearance ticket.

I received a complaint that a race track was being built behind Doucett's concrete pumping business. I contacted Jim Doucett and inspected the site. They have a couple dirt mounds for recreational use only. There will be no racing events.

I was also contacted for construction of a small BMX track. No permitting or licensing required for bicycling.

Raish Hill:

Coney's have not complied with removal of the mobile home. They were to appear in court yesterday but did not show. Justice Dence will send another appearance notice.
