Thank You for waiving permit fees for flood victims. To date we waived two building permit fees and one Site Plan Review fee.

I was asked to find estimates to replace the metal roof on Town Barns. After speaking with Scott Quick he suggested a different approach. This will be less expensive, add insulation and last longer than a metal roof. Duro-Shield metal retrofit roofing system information is attached.

I also noticed the solar system wasn't working. I called Sure-Temp and discovered a faulty drain back tank. Will schedule replacement tank, should be under warranty.
